

**Permission of Instructor Course Action Form
EXST 7085 Special Problem in Statistics**

Student: _____
(Print your name, last name first.)

TO THE FACULTY: The above student has registered for _____ hours of EXST 7085 (Special Problem in Statistics) for the _____ semester and has named you as the major professor and/or supervising instructor. Since EXST 7085 is a Permission of Instructor course, you must give consent for this student to register for EXST 7085. By consenting you will be acknowledging that the student will *complete and submit*, before the end of the above specified semester, a *final approved copy* of his/her Special Problem under your (or some other faculty member's) supervision. You will be listed as the instructor of record and thus will assign a grade (Pass/Fail) and sign the grade sheet for this student at the end of the semester.

Please *check* the appropriate action (APPROVE or REJECT) and sign below. This form should be returned to room 161 as soon as possible.

Action: **APPROVE** **REJECT**

Major Professor Signature _____ Date _____

Supervising Faculty Signature (if other than major professor) _____ Date _____

TO THE STUDENT: Read the following then sign below.

In order to receive credit for EXST 7085 I must complete and submit to the department a final Special Problem (technical paper) that has been approved by all members of my committee.

Student Signature _____ Date _____

Note: For *preliminary* work on your special problem (i.e., in any semester before you actually write your paper), register for EXST 7999, not EXST 7085.
