

Name: Clayton Hollier
Title: Professor
Specialization: Crop Loss Assessment
E-mail: CHollier@agcenter.lsu.edu
Department: Plant Pathology and Crop Physiology Department
Organization: LSU AgCenter
Address 1: Life Sciences Building
Address 2: Baton Rouge, LA 70803
Phone Number: (225) 578-4487
Mobile: (225) 978-8157
Fax Number: (225) 578-1415

Education/Training

A.A., Copiah-Lincoln Junior College, 1973
B.S., Delta State University, 1975
M.S., Delta State University, 1977
Ph.D., Mississippi State University, 1981

Areas of Specialization/Research

75% Extension appointment. Responsible for plant pathology educational programs for small grains, feed grains and soybeans.

25% Research appointment. Crop loss assessment (plant disease losses) for sheath blight of rice, diseases of soybeans and foliar pathogens of corn (maize).

Professional Experience

Teaching Experience:

PLHL 4001 – Plant Disease Management

PLHL 4014 - Disease of Economic Crops (small grains and feed grains sections).

PLHL 7051 - Plant Pathology for Extension Agricultural Agents

Miscellaneous Professional Activities:

Past-President, Southern Division, American Phytopathological Society, 2000-2001
President, Southern Division, American Phytopathological Society, 1999-2000
Vice President, Southern Division American Phytopathological Society, 1998-1999
Plant Disease Losses Committee (six terms), American Phytopathological Society, Chairman 1993 and 2005
Extension Committee, American Phytopathological Society
Chairman, Plant Disease Management Committee, American Phytopathological Society

Chairman, 2009 and 2013 Southern Soybean Disease Workers

Assignments (University, Experiment Station and Departmental):

Council of Faculty Advisors (LSU AgCenter representative to the

LSU Board of Supervisors)
Council of Faculty Advisors representative to the Board of Regents
Louisiana State University Agricultural Center Chancellor's
Oversight Committee
Louisiana State University Agricultural Center Faculty Advisory
Council
Louisiana Agricultural Experiment Station Director Search
Committee
Louisiana Cooperative Extension Service Promotion Committee
Louisiana Cooperative Extension Advisory Committee Process
Review Task Force
Louisiana Cooperative Extension Service Master Farmer Initiative
Co-Chairman Horticultural Department Head Search Committee
Chairman of the advisory committee for agricultural agents seeking
education in Plant Pathology and Weed Science (Agent
Specialization)
Rice Variety Recommendation Committee
Small Grain Variety Recommendation Committee
Cool-Season Pasture and Forage Variety Recommendation
Committee
Warm-Season Pasture and Forage Variety Recommendation
Committee
Feed Grains Variety Recommendations Committee
Extension Water Quality Committee
Water Quality Evaluability Assessment Committee
LSU Agricultural Center Annual Conference
Extension Annual Conference Chairman
Extension Annual Conference Banquet Chairman
Department of Plant Pathology and Crop Physiology's Committee
on Graduate Admissions and Standards

Professional Organization Committees:

Plant Disease Losses Committee (five terms), American
Phytopathological Society, Chairman 1993 and 2005
Extension Committee, American Phytopathological Society

Plant Disease Management Committee, Chairman, American
Phytopathological Society

Louisiana Plant Protection Association
International Society of Plant Pathology
Mid-south Association of Wheat Scientists, Chairman
Rice Technical Working Group
SERA-IEG 3 IPM, Secretary, 2002
SERA-IEG 3 IPM, Chairman-Elect and Local Arrangements
Coordinator, 2003
SERA-IEG 3 IPM, Chairman, 2004
Southern IPM Center Advisory Committee
Southern IPM Center Personnel Hiring/Review Subcommittee

Professional Society Memberships:

American Phytopathological Society
International Society of Plant Pathology
Mid-south Association of Wheat Scientists
Rice Technical Working Group
SERA-IEG 3 IPM

Southern Soybean Disease Workers

Awards/Grants

Multistate Research Award (for work on soybean rust) NCERA-208, 2012

International IPM Award of Excellence, 2012

LSU AgCenter, Extension Excellence Award, 2010.

Southern Region IPM Center Lifetime Achievement Award, 2010.

LSU AgCenter, Tipton Team Research Award: Excellence in Research Award, 2010.

Louisiana Cooperative Extension Award (1996) in recognition of excellence in planning and implementing statewide education programs

Distinguished Service Award for Specialists (1997) from the Louisiana County Agricultural Agents Association.

Distinguished Service Award (1997) from the National Association of County Agricultural Agents.
