Sexual Assault Support, Services and Resources for Students

Louisiana State University is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free of discrimination, on the basis of sex and sexual misconduct which includes sex discrimination, sexual harassment, dating violence, domestic violence, sexual assault, stalking and retaliation. LSU has developed policies and procedures to protect our students, employees, and our community from acts of sexual misconduct. LSU urges people who have been the victim of sex-based offenses to pursue criminal charges against the person or persons they believe to have committed the crime. A criminal charge and a disciplinary charge may be pursued at the same time; however, students may pursue a disciplinary complaint without pursuing criminal charges. Support and resources are available even if a student elects not to pursue criminal charges or University disciplinary action.

Individuals having knowledge of a sex-based offense (including dating violence, domestic violence and stalking) also are strongly encouraged to timely report that crime to the LSU police, Campus Title IX Coordinator, the Office of the Dean of Students, or the Office of Human Resource Management.
